

It is a pleasure to communicate with you and propose a plan so that get a renewed website and can promote your business video game.

My brand offers professional services such as the following:

- **Backend technologies for your company**
- **Frontend technologies for your company**
- **Help with website hosting**

A reasonable price is offered for the development of the objective where the client is satisfied with what was purchased.

The proposal is divided into 2 parts for execution and respective payment.
